SERVICE BULLETIN

Ride Manufacturer: Dartron Industries, Inc. Affected Production Dates: All StarTroopers

Ride Name: StarTrooper Affected Serial #'s All StarTroopers

Model # N/A

Reason for release: Dartron has changed the height requirements for riders and the signage requirements for operators for all StarTroopers manufactured by Dartron.

Detail of Issue: HEIGHT REQUIREMENTS

1. Height must be 46" or above to ride unaccompanied.
2. Height of 42" and above but under 46" can ride if accompanied by a mature and responsible person who rides in the same seat.
3. Height below 42" cannot ride the StarTrooper under any circumstances.

SIGNAGE REQUIRED

At all times when the StarTrooper is operating, signage including the information below and height requirements must be posted in a manner that it is clearly visible and easy to read by guests before they enter the ride. This signage can include additional restrictions or warnings but must include the following:

Restrictions on Riders

Guests are advised this activity may include:

Strong Centrifugal forces

Rapidly changing heights

To participate you must be in good health and free from:

Heart ailments, back disorders, neck disorders, pregnancy, seizures, dizziness, motion sickness, or other physical ailments, which may be aggravated by the motion of this ride.

It is necessary that you:

Remain in the seated position while in the passenger car.

Do not extend your hands and arms over the sides of the car.

Enter and exit this activity slowly and carefully.

Be aware that the walking surfaces may be slippery.

Watch where you are walking to avoid tripping on any uneven surface.

You should not participate if you are under the influence of:

Drugs, alcohol, and/or prescription medication.

Physically or mentally challenged guests may not find this activity suitable.
